Welcome to CertificationPoint's Career Gateway Path Program Wiki!

Student Freelance Job/Work Program:
- Career Gateway Preparatory Program (CGPP)

Provider:
- CertificationPoint.Org

Mission:
- Ensuring College Students A Means Of Reaching Their Potential

CertificationPoint currently provides college students nationwide with to gain real-world experience irrespective of their career field with an individual and small group coverage. The premise here is that by closing knowledge/experience gaps will assist in each student becoming more confident and achieve maximum benefit from the program while completing courses. More importantly, students will be enabled to locate their "interest" through real-world for-pay STEM assignments injected into their

The Career Gateway Preparatory Program pilot program will serve as a connecting college students with local, national and global business as students to gain real world experience. All freelance job projects will have project manager and mentor to ensure both jobs and projects meet the
